About the ICSC

The mission of the ICSC is to ensure the retail real estate industry is broadly recognized for the integral role it plays in the social, civic and economic vibrancy of communities across the globe. Founded in 1957, today the ICSC has over 70,000 members joined together in one vibrant global community.

About RECon

ICSC RECon 2019 is the global convention for the shopping center industry and provides networking, deal making and educational opportunities for retail and real estate professionals from around the world. The annual three-day retail convention attracts nearly every player in the retail industry — company presidents, seasoned veteran brokers, retail executives, land developers, investors, landlords, mom-and-pop shop owners, city managers looking to attract retailers, and junior brokers just getting their feet wet. With an estimated attendance of 37,000 people and 12,000 booths, ICSC's RECon is known as the largest retail real estate convention in the world.

About the Sponsors

Jimmy Maurin and Roger Ogden, founders of Stirling Properties, have both always believed strongly in mentoring students interested in pursuing careers in real estate. In 2014 Jimmy and Roger started the *Maurin Ogden LSU Real Estate Award*, putting funds into a foundation with the International Council of Shopping Centers (ICSC) to be used exclusively to better the real estate program at Louisiana State University (LSU). The ICSC RECon 2019 Scholarship Trip is funded with proceeds from the foundation.
